

Notification for Distinction of RoHS

We will add the below marking on the label of outer carton and inner package, in order to distinguish between RoHS-compliance and non-RoHS-compliance.

- RoHS-compliant products will be marked “<G>”
- Non-RoHS-compliant products will be marked “<R>”

This rule will be applied to all products of High Frequency and Optical Devices completely by Jan 2006.

1. Example for Inbox label

Displayed here
RoHS-compliance :<G>
Non-RoHS-compliance :<R>

2. Example for outbox label
